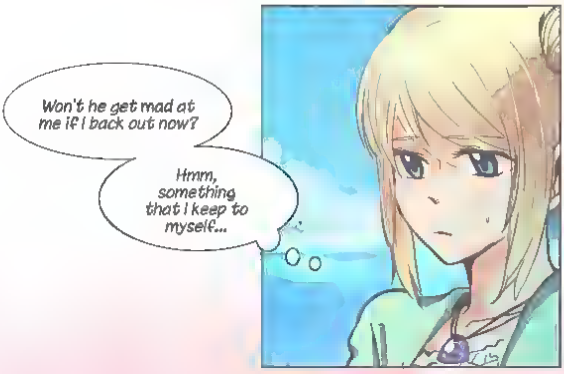
There must be something that you don't want others to know.

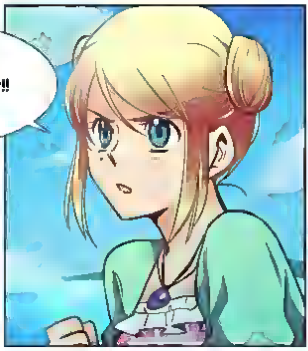


Then...

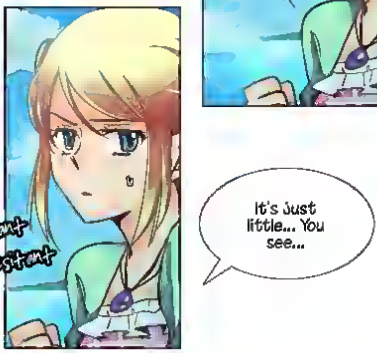
Dear, Only You Don't Know!

season 2

You're so unfriendly to those around you.
It'd be rather amazing if you have friends.
It was strange, too, when she overreacted big time to Ruri's incident...

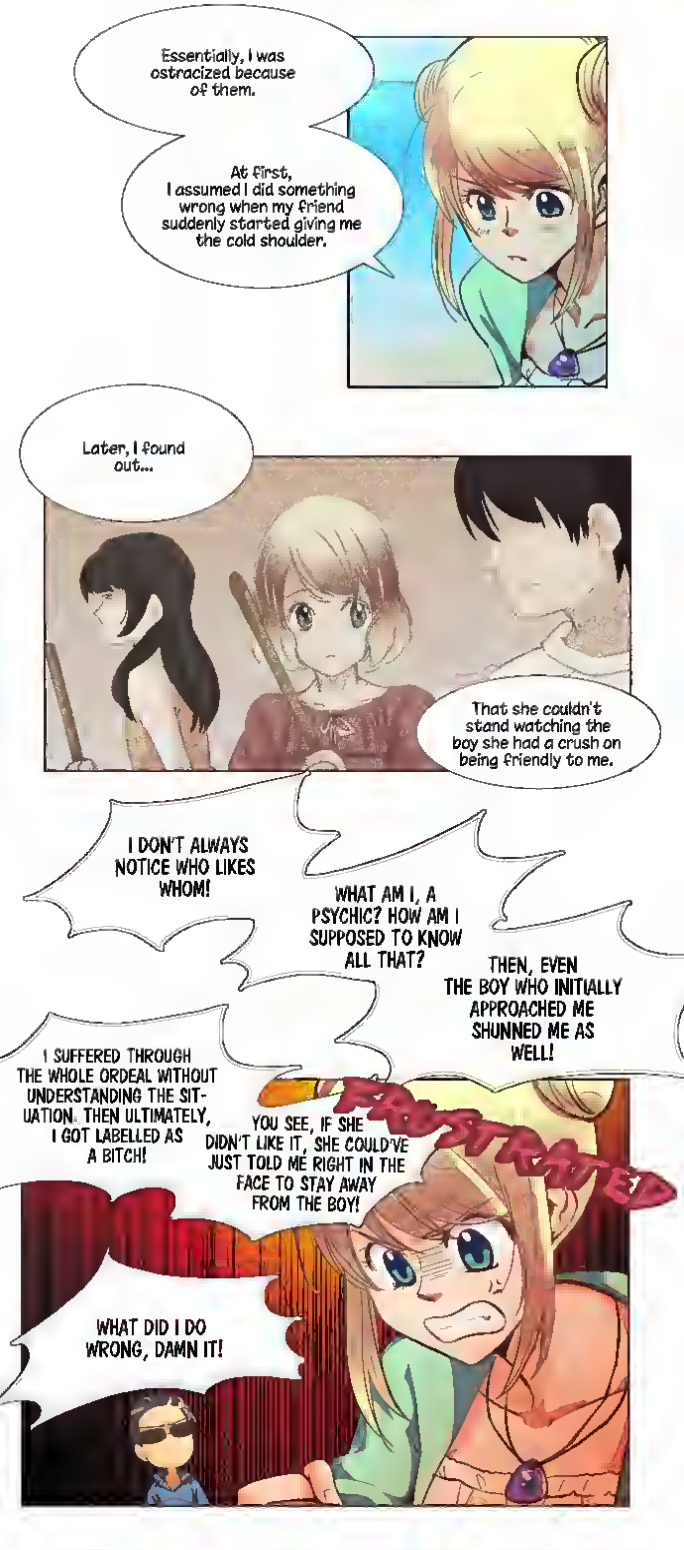


I'm not always unfriendly!! I was just...



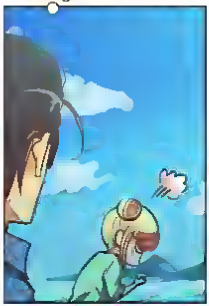
hastrum
hastrum
It's just little... You see...

I just...
Don't want to get too close with my peers... especially the boys.



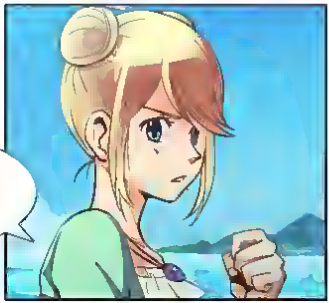
Essentially, I was ostracized because of them.
At first, I assumed I did something wrong when my friend suddenly started giving me the cold shoulder.
Later, I found out...
That she couldn't stand watching the boy she had a crush on being friendly to me.
I DON'T ALWAYS NOTICE WHO LIKES WHOM!
WHAT AM I, A PSYCHIC? HOW AM I SUPPOSED TO KNOW ALL THAT?
THEN, EVEN THE BOY WHO INITIALLY APPROACHED ME SHUNNED ME AS WELL!
I SUFFERED THROUGH THE WHOLE ORDEAL WITHOUT UNDERSTANDING THE SITUATION. THEN ULTIMATELY, I GOT LABELLED AS A BITCH!
YOU SEE, IF SHE DIDN'T LIKE IT, SHE COULD'VE JUST TOLD ME RIGHT IN THE FACE TO STAY AWAY FROM THE BOY!
FRUSTRATED!
WHAT DID I DO WRONG, DAMN IT!

Seeing how frustrated she still is, she must have never found a place to vent properly.

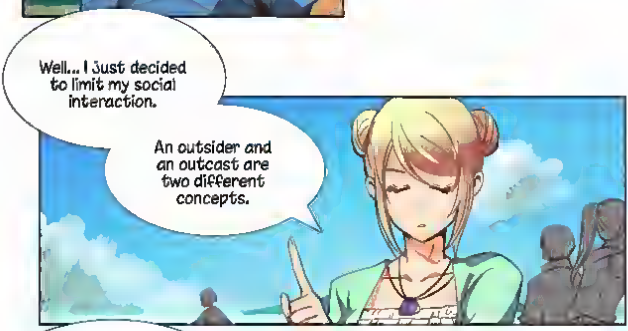


In any case, ChaeRim is interested in that boy from earlier.

I should keep an eye on him.



So... That's why you are always so belligerent to your peers?

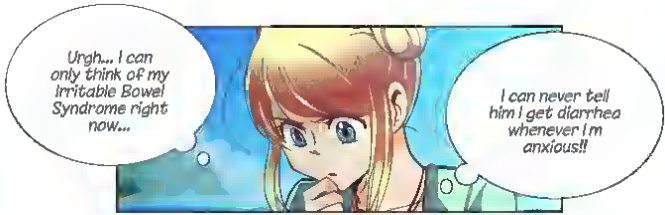


Well... I Just decided to limit my social interaction.
An outsider and an outcast are two different concepts.

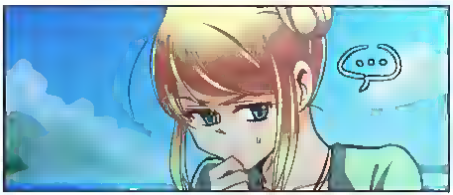
Bullies are not total idiots.
They only pick on docile targets with no one to rely on.
Bullies tend to ignore the resistont type that fights back when they're harassed.
If they still insist on messing with them, then they're truly foolish.
Even if someone's stupid enough to try that on me, I am confident that I can sue them.

They can probably isolate me... but, whatever.
I'm already an outsider.

I will no longer play the victim of such despicable behavior.
I won't be discouraged, nor will I give up on myself because of it.
I'm not sure if I can say she's strong-willed or not...
I wish she would give up on me though...
So... that's it?
Eh!! You want m...more?
I told you several things about myself.
Well... then,
I really suck at English!! It utterly brings down my average!
What's wrong with Koreans being poor at English?
Shake
Shake
Err... Th...Then what about having a poor sense of direction?!
There are many people like that.
I can't do two things at once.
That's something I can already tell.
Once something gets stuck in your head, you become obsessed with it.



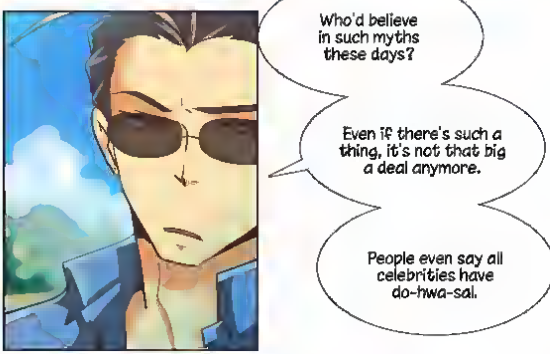
Urgh... I can only think of my Irritable Bowel Syndrome right now...
I can never tell him I get diarrhea whenever I'm anxious!!



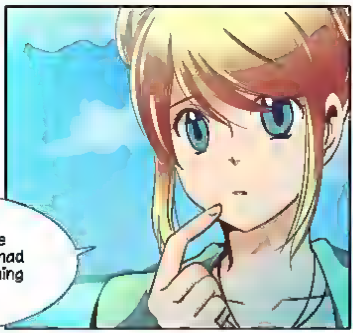
This happened way back in the past...

Hoho, this is such dreadful karma.
One time, I was told that I have do-hwa-sal.
DO-HWA-SAL (LIT. CALAMITY OF THE STAR OF PEACH BLOSSOMS) REFERS TO THE PHYSIOGNOMY OF A WOMAN WHO CAN'T SETTLE DOWN WITH A SINGLE MAN. IT IS SAID THAT EITHER HER HUSBAND WOULD DIE AT A YOUNG AGE OR THAT SHE WOULD BE INVOLVED IN EXCESSIVE SEXUAL AFFAIRS WITH VARIOUS MEN

P/N: DO-HWA (LIT. PEACH BLOSSOMS) IS THE NAME OF A STAR THAT DICTATES A PERSON'S LOVE LIFE IN CHINESE ASTROLOGY. A LONG LASTING MARRIAGE IS EXTREMELY IMPORTANT IN ANCIENT TIMES ESPECIALLY TO WOMEN, SO HAVING DO-HWA-SAL IS TERRIBLE. HOWEVER, IT'S A GOOD THING WHEN SOMEONE IS SAID TO HAVE DO-HWA - IT MEANS THEY WOULD ENCOUNTER POTENTIAL ROMANTIC INTERESTS.



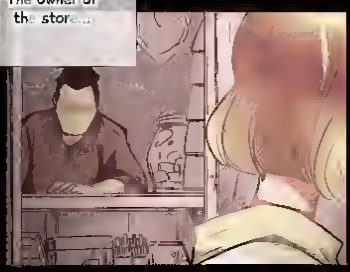
Who'd believe in such myths these days?
Even if there's such a thing, it's not that big a deal anymore.
People even say all celebrities have do-hwa-sal.

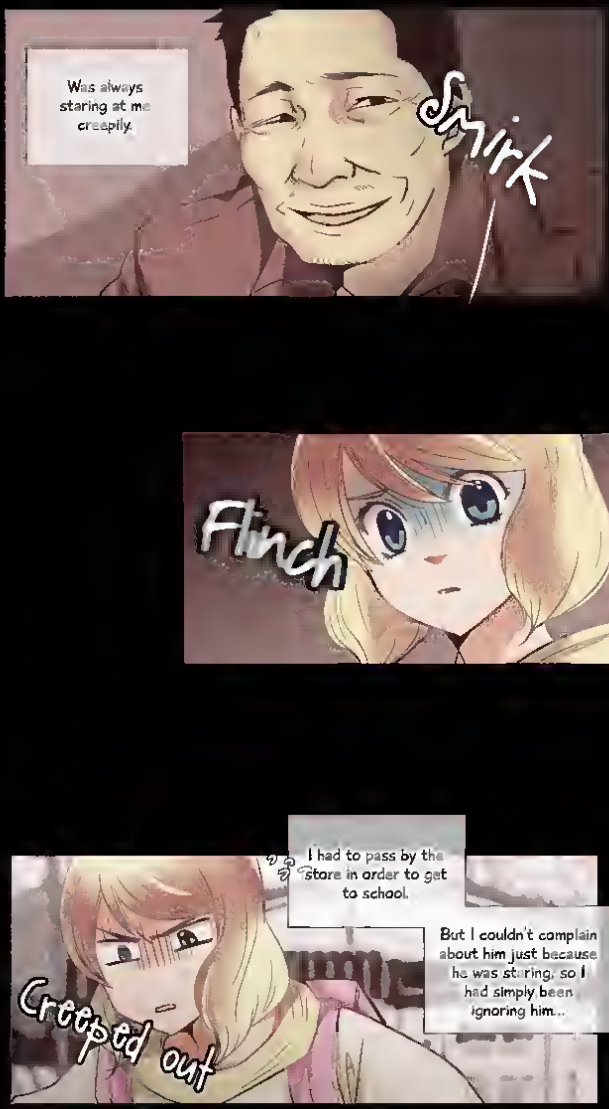


This one was the scariest of them all.

When I was in elementary school, there was this small stationary store.

The owner of the store...





Was always staring at me creepily.
Smirk
Flinch
I had to pass by the store in order to get to school.
But I couldn't complain about him just because he was staring, so I had simply been ignoring him...
Creeped out

However, the problem arose when I started getting bullied at school.

The girls would sometimes make unreasonable demands.

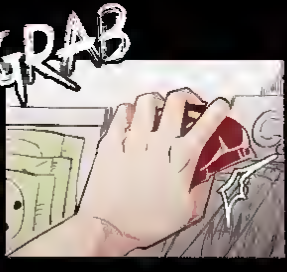
They would make a bet every time on whether I could do it or not.

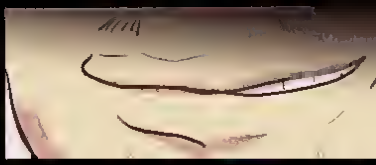
One of their unreasonable demands was stealing.

Hey, the owner of the store totally looks like a pervert. He makes me pu-
Right, right.
Last time, he posted a huge photo of a thieving kid captured by surveillance camera. Did you see?
Really? Daebak!
That place... I...
Hurry up, what're you doing?
Can't you see we're all waiting?
Tap
This is not even your first time. You just have to succeed
You will be fine as long as you don't get ca-ght, right?
And if you do, just say that you're alone. You know what would happen if you say anything about us, right?

I was really scared, and I hated doing it.

But I was that desperate.





Approach
SNATCH
!?
Caught you, you thieving wrench.
You are the one who stole something from my store yesterday, right?

S...S...School... I have to go...

I'm in the hurry. Please let me go

WHAT'S THE POINT OF A THIEF GOING TO SCHOOL?

SH

I can't! I can t... I can't let my sister know!

Sorry, I was wrong.

RUN
Aren't you Mr. Jung? Did something happen?
DAAAASH
Mr. Jung?

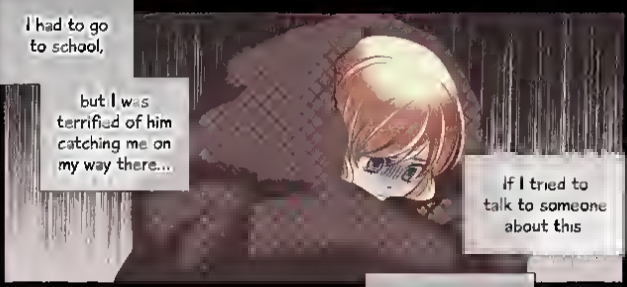
It's nothing. Go mind your business.

Somehow I managed to run away...

But what came next was also problematic.

I had to go to school,

but I was terrified of him catching me on my way there...

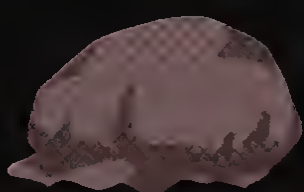


If I tried to talk to someone about this

I had to reveal all the crimes I'd committed.

I didn't dare open my mouth.

I brooded over it by myself, and I had stopped going to school for almost a month.

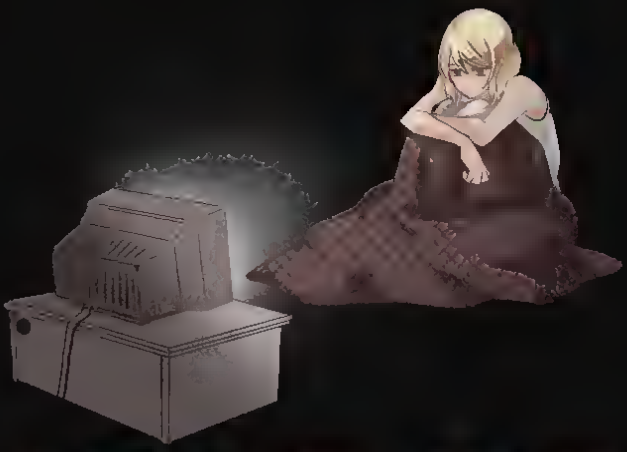


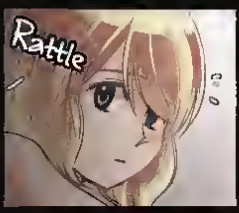
Touch
SooJin, Unni needs to drop by the bank, so I have to leave early.
Call me if something happens.
I will keep waiting for you to talk.

Creak...
Shut

Unni must have felt as frustrated as I did...

since I suddenly refused to go to school without a word.





Rattle

BANG!

I heard the TV.

Come out, now.

How does he know my name?

If you come out now, I'll forgive you for everything you've done.
Tap
Open the door.
Can't hear it! Can't hear it!

FUCK, I TOLD YOU TO OPEN THE DOOR!!
I'M GONNA BREAK THROUGH THE DOOR!!
BANG

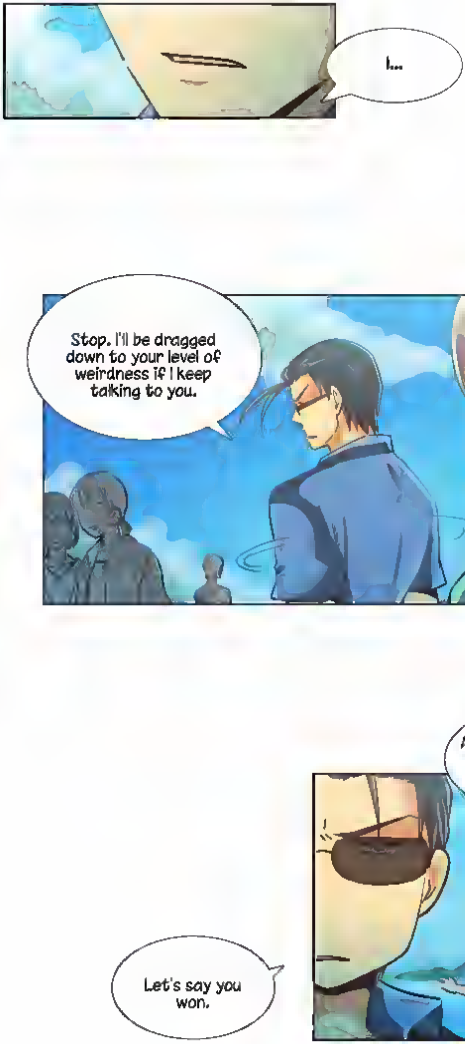
HURRY AND OPEN UP!
DO YOU WANNA GET LOCKED UP IN JAIL FOR REAL?
BANG
BANG
QUICK, UNLOCK THE DOOR!
KICK
Just what are you doing over there?

Can't say if I was lucky or unlucky, but
my sister's friend came over at that moment, so I managed to turn the corner somehow but...
Fume
In the end, Unni found out about everything from my getting bullied to stealing.
She kicked up a huge fuss at the school. After that, we moved, and I transferred to a different school...

There are a lot of weirdoes around me because of this do-hwa-sal, or whatever it's called. I'd run into a lot of trouble.
And not just once or twice. It occurs so frequently that...
People actually ask me, "Aren't you the one doing something wrong?"

However, ever since I met Oppa, I've stopped being bothered by such perverts.
You really must be my destined one.



I...
Stop. I'll be dragged down to your level of weirdness if I keep talking to you.
Ah! What about our Disappoint-Your-Opponent"(?) game?
Let's say you won.

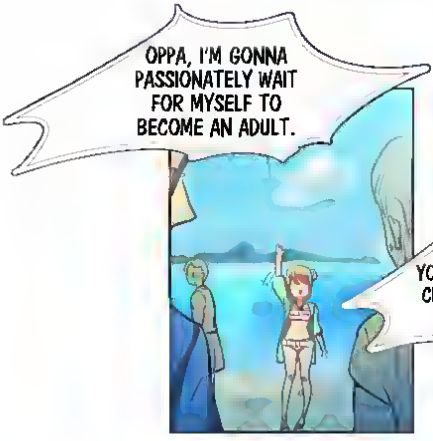
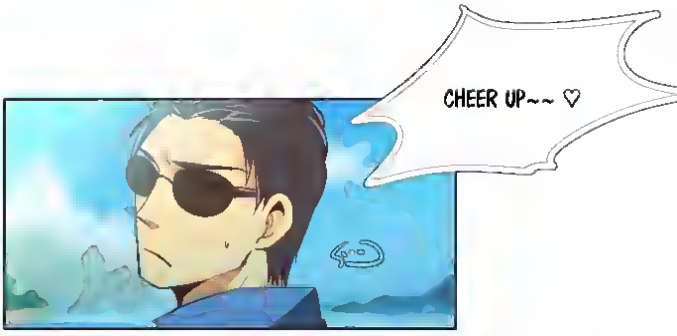
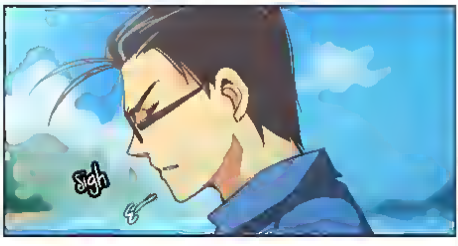
I have something to do, so don't bother me!



OPPA, I'M GONNA PASSIONATELY WAIT FOR MYSELF TO BECOME AN ADULT.
UNTIL THEN, YOU WILL HAVE PLENTY OF CHANCES TO DISAPPOINT ME, SO...



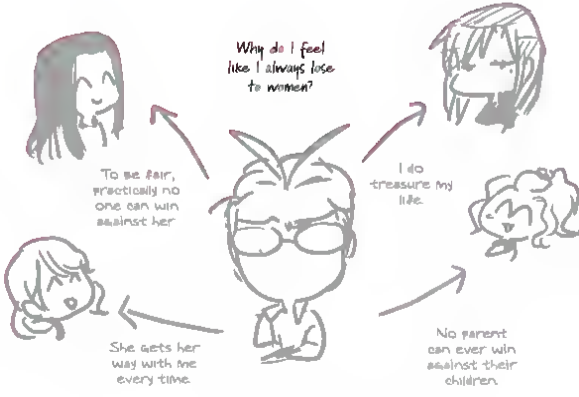
CHEER UP~~ ♡



Sigh

She has really become a nuisance.

What the readers don't know!



Why do I feel like I always lose to women?
To be fair, practically no one can win against her
I do treasure my life.
She gets her way with me every time.
No parent can ever win against their children.

A universal pushover
